

MySchoolBucks is the service provider of our cafeteria Point-of-Sale system. Their service also provides parents the ability to view and print their child's account activity. This history report will list all dates and times during which a student has made a purchase within the past thirty days.

To access MySchoolBucks:

1. Log on to: [mySchoolBucks](#)
2. From this site you will create your account and add funds to your child's school meal account. All you need is your child's name, student ID number and school ZIP code.

For your consideration:

- If you have more than one child in the District you can handle all online prepayments from the same online account.
- Payments may be made through an existing *PayPal* account or with a major credit or debit card.
- In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover the bank fees. The convenience fee is \$2.49 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the \$2.49 fee once per deposit transaction. Bernards Township Public Schools will not profit from the use of this site.
- Account balances will follow your child through his or her years in the district: balances are rolled from year to year and move to the middle and high schools with your child. Upon leaving the district, any remaining balance may be transferred to a sibling or a refund may be requested by contacting our office. **Student data rollover occurs in early September, just before classes begin.**

We are very pleased to offer these services. However, should you choose not to take advantage of the online prepayment service, you may continue to make advance payments via cash or check, which should be made payable to ***Bernards Township BOE Food Service***. Please write your **child's full name** on the check. Cash is still accepted in all of our cafeterias, but we hope that you will take advantage of our debit system, because reducing the amount of cash-handling in our lunch lines keeps the lines moving rapidly, allowing the students more time to eat and socialize.

If you have any questions about these new services, please feel free to contact the cafeteria manager at your child's school.

Best Regards,

Steven Tardibuono

Involving Parents with Confidence.

Program Overview

School Solutions

Parents today demand information and convenience. Your administration demands a solution that is reliable yet cost-effective — *mySchoolBucks* is your solution.

Features

- Family Accounts & Multiple Accounts mean that parents can manage an entire family from a single account, or provide accounts to different family members
- Fully integrated with your School Nutrition Information Management System
- Account Balances provide details of students' current balances
- Purchase/Spending History provides details on students' spending habits
- Pay via Visa, MasterCard, Discover & E-Check
- Recurring Payments allow parents to add money to student accounts on a regular schedule or top-up the account when the balance runs low
- Low balance email alerts help keep lunch accounts in the black
- Details from lunch, breakfast & vending are supported
- Integrated nutrition & school information posting
- Support for mobile devices & most web-browsers

Accept payments for meals, student activities, donations, athletics & more. Any school-related payments can be paid through mySchoolBucks.

Fees — mySchoolBucks is provided using a selection of fee models. These models are all-inclusive and there are no additional hidden fees whatsoever.

- **Convenience Fee** — parent-paid per student payment regardless of payment device
- **Absorbed Fee** — low district-paid rate, increasing participation
- **Joint Participation** — Combined fee split between parents and district

Funding — Next-Day Funding for all card transactions; 2-3 days for E-checks

Minimum Payments or Fees — None

Marketing — **FREE!!** Contact your project manager about our free marketing
